What We Do Next!

We at Baptist Memorial Health Care opened our North Mississippi facility in 1989.

We are proud of our accomplishments and all our physicians and employees who have dedicated themselves to providing the residents of North Mississippi with the highest level of services possible.

But we aren't stopping there. Over the next several years, we will be growing to meet the needs of our community. Our plans include a comprehensive cancer center, new surgery facilities, and an expansion of our heart care services.

All our past successes and our exciting future - just two of the many reasons this 11-year-old is proud to serve the residents of North Mississippi.

Editors' Closing

We want to thank everybody who helped us throughout this year. A special thanks to Mrs. Brummett, Dr. Waller, Mrs. Fitts, Addy Photography, and our wonderful yearbook staff. Without you, this yearbook would not be here. We enjoyed working with the yearbook and hope it will remind us all of our 2001- 2002 school year.

We also want to say a farewell and good luck to Dr. Dickens. We really appreciate all you have done for this school and the students of this school. We will miss you. We have put a lot of time and hard work into this book. We hope you have enjoyed it and will enjoy it for years to come. Thanks again for everyone who helped us out in any way.
