THE WAY WE WERE

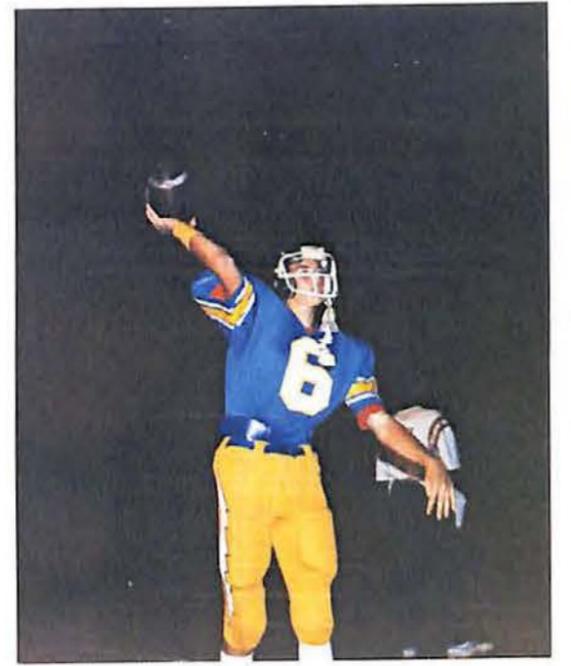

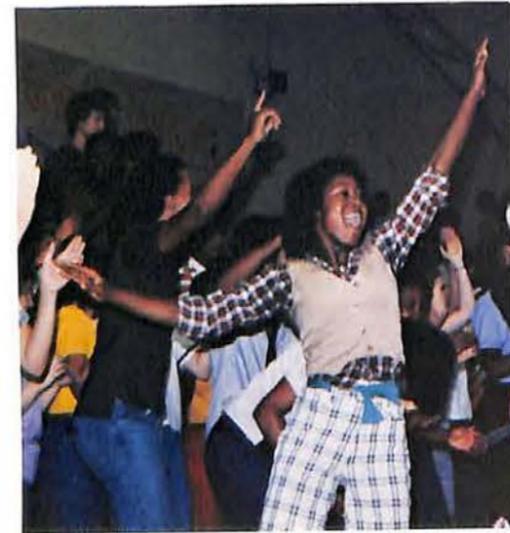

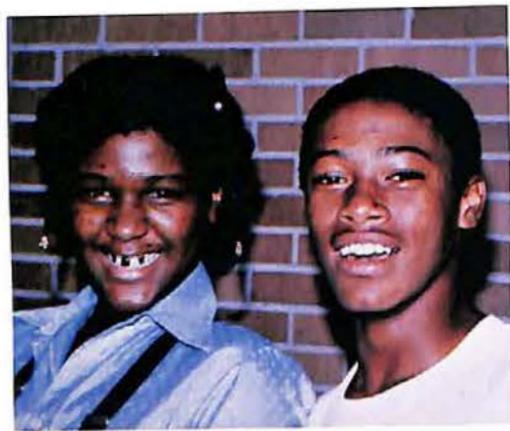

FOR YOUR EYES ONLY

BUSTIN' LOOSE

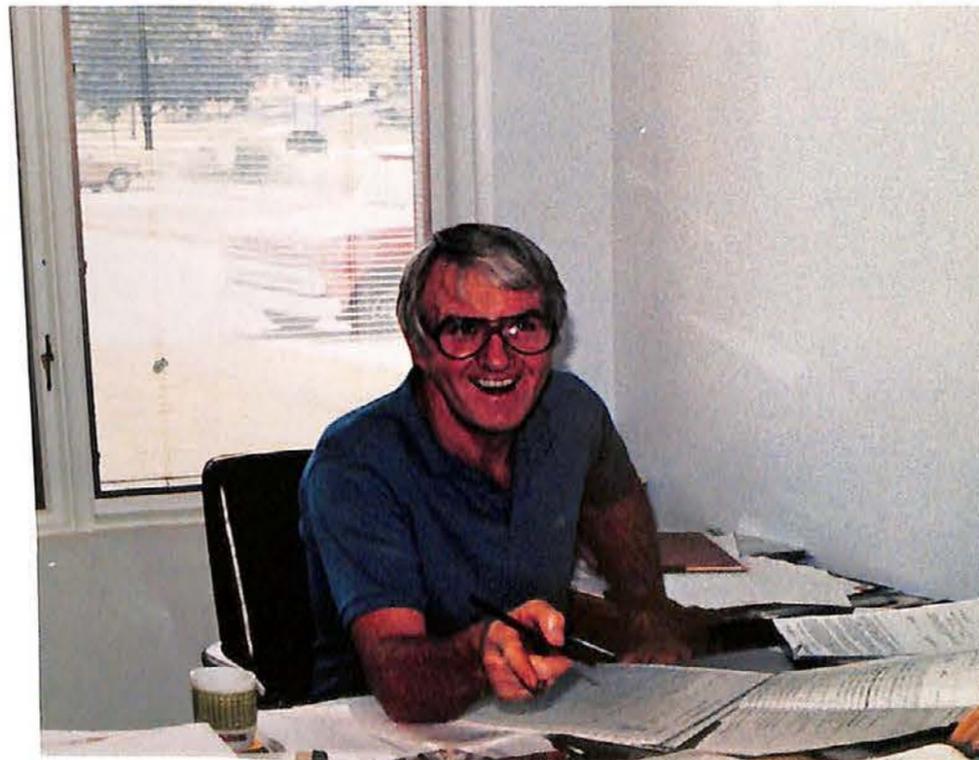

In Appreciation . . .

Dedication . . .

Miriam Pullen

Deep appreciation for Mrs. Thomas M. Pullen is gratefully expressed by the 1983 Flashback staff and all OHS students, present and past. She has devoted sixteen years of her life to the Oxford City School System. A kind, warm and true friend, Mrs. Pullen will always have a special place in our hearts.

Gene Meadows

The Flashback staff dedicates this 1983 annual to Mr. Gene Meadows, because of his constant devotion and many contributions to the Oxford City School System. He has always "been there" and been ready to help when problems have arisen between parents and faculty, between students, and between the administration and the school board. He has wisely served the Oxford City School System for the past twelve years, and we wish him the best of luck and continued success in all his future endeavors.

MAIN ATTRACTIONS

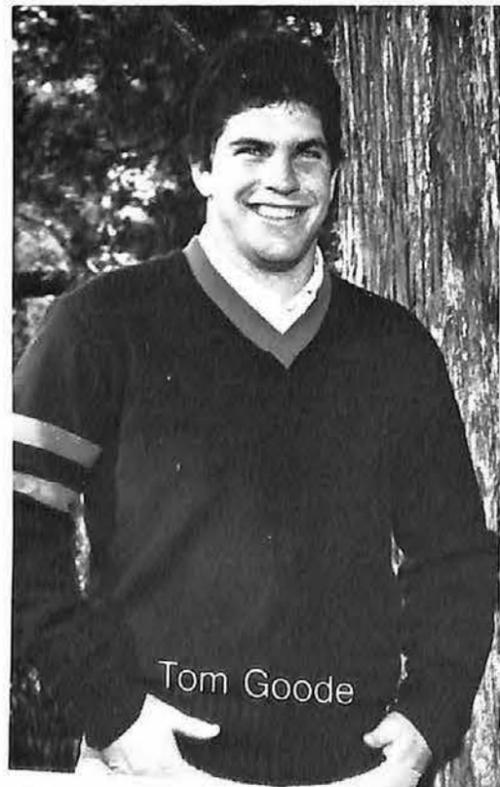

Laura Alderson
Marcia Martin

This year's Mr. OHS is Tom Goode. Tom's outgoing personality and involvements in school activities make him a very well-rounded student at Oxford High. For the past three years Tom has been an invaluable asset to the football team. He was chosen an All Conference Player each year, and named to the All-State Team his senior year. In addition to his interest in sports, Tom has found time to serve as Vice President of the FCA, to be a student council member, and a member of Mu Alpha Theta. One can easily see why Tom's classmates hold him in such high regard.

Kim Barber has been chosen as this year's Miss OHS. Those that know Kim are struck by her cheerfulness and concern for others. As captain of the cheerleading squad, Kim has shown constant school spirit throughout the year. Working on the student council, YWSC, and Pre Med club has enabled Kim to meet and know a variety of people at OHS. Kim will always be remembered by her classmates as a very friendly and spirited Miss OHS.

HOMEcoming WEEK 1982

Homecoming at OHS this year was one filled with many exciting activities and events. The theme this year was "The History of Hollywood." The Student Council quickly sold all the Homecoming theme T-shirts. Throughout the Homecoming week, students participated in the designated Spirit Days. The week began with Cowboys and Indians Day. On Tuesday, it was Fifties' Day and on Tuesday night the entire school came out and supported the Student Council in its first Sock Hop at OHS. The whole evening was a complete success and everyone was very enthused by the decorations and the photographer who took pictures of everyone. Later on in the week, the pictures went on sale so everyone could remember Homecoming 82. Wednesday was Horror Day and Thursday was Roaring Twenties' Day. Thursday night was the annual Snake Dance and Bonfire. This event was also a complete success. The week was ended with Space Age Day. Friday night, everyone came out to support the Chargers in the game against South Panola. At halftime, the Homecoming Court was presented and the Queen was announced. The Homecoming Queen for 1982 was Pam Hervey. Miss Hervey was escorted by James Townsend. All in all, Homecoming 1982 was a tremendous week of fun and excitement that all OHS students will surely remember.

In addition, the Chargers recorded wins over Horn Lake and Fulton to finish with a 5 and 5 record. The coaches and players put in long hours to produce the best OHS record in several years. FOOTBALL

ACTION

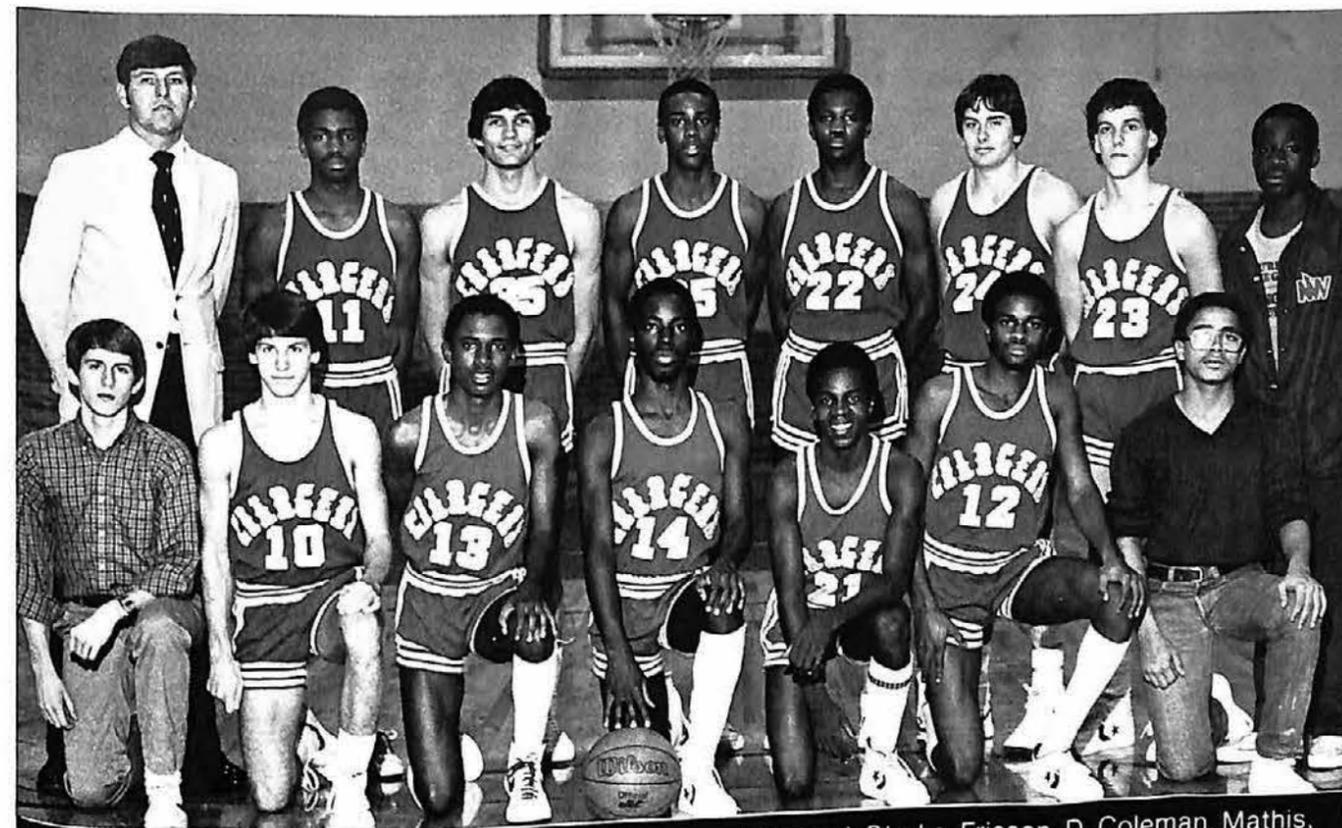

BASKETBALL

The Oxford Boys Basketball Team returns four of five starters and considerable depth to make up an improved team. Archie Gilliom, John Kakales, David Coleman, and Charles Coleman are the senior leaders who should guide the Charger roundballers to a fine season. Intense defense and hustling offensive play will characterize this edition of Charger basketball.

The majority of the starters on the 1982-83 Oxford Girls Basketball Team have played together as a group since their sophomore year. The strong point on offense will be the inside game while quickness should aid the Lady Chargers on defense. Lillie Certion, Linda Livingston, Felicia Porter, and Dwanh Reese are those veteran starters. Linda Liggins will fill the remaining gap in the line-up.

'A' TEAM BOYS: (Kneeling, Left to Right) Tate (Stats), Mallard, Starks, Frieson, D. Coleman, Mathis, Goolsby (Mgr.); (Standing, Left to Right) Coach Robbins, Price, Kakales, Gilliom, Dunn, Hunt, Mistilis, Houston (Mgr)

Four Charger Seniors will finish their OHS careers this season. These players are Archie Gilliom, last year's leading scorer, John Kakales and David Coleman effective in the starting line-up, and Charles Coleman a strong reserve guard.

BASEBALL

According to Coach Walter Denton, the 1983 edition of the Charger Baseball Team should be "vastly improved." Seven returning lettermen, led by Monte Gibbs, Jeff Dalton, Richie Davis, and John Kakales, are back to push for improvement over last year's 8 and 9 record. Most of the returnees, plus the newcomers, participated in Oxford Park Commission and American Legion Baseball action over the summer, and this added experience should strengthen the Oxford attack. Defensive play should be the team's strong point, and they hope to use it to defend their 1982 Sub-district Title.

GOLF

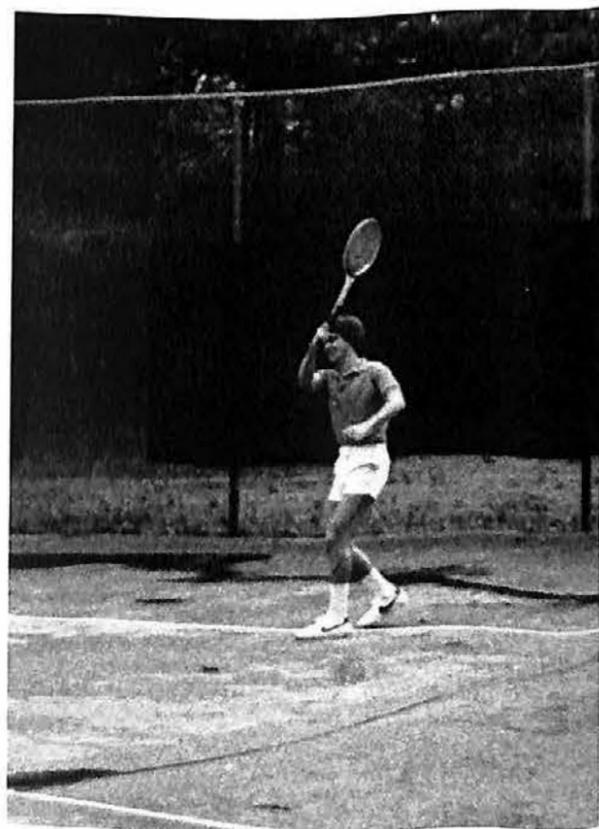

rience to combine with several sophomores for this season.

Coach John Robbins' 1983 Golf Team returns a fine group of lettermen including Most Valuable Player Kent Smith and seniors Chandra Prasad and John Trott. Junior lettermen David Calhoun and Kim Thorne will provide needed experience to combine with several promising sophomores for this season.

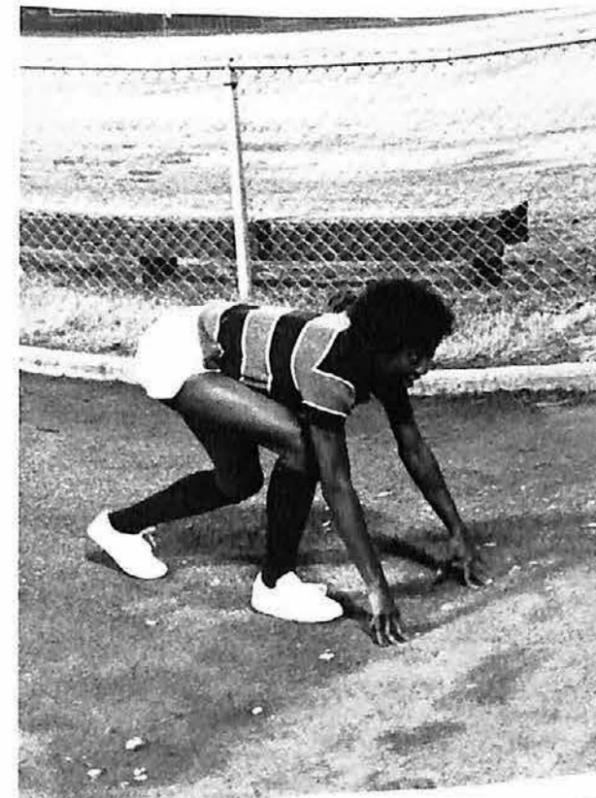

TENNIS

1983 should be a good year for the Oxford High Tennis Team. They are the defending state champions in boys and girls singles. Derry Garner, Colleen Gorove, Linda Livingston, and Mike Mann are the senior netters on the squad. The core of the team returns, and this same group distinguished themselves as Overall Co-State Champions in AA for 1982. Eight lettermen and a good group of young players made up a potentially outstanding team.

TRACK

The 1982 Boys Track Team runs into the season with wings on their feet. Several strong members return including Howard Phillips, Ron Draper, David Coleman, Charles Coleman and numerous others. It can be noted that Kurt Saul's track-

sters should have much success. The 1983 Girls Track Team led by seniors Lillie Certion, Dwanh Reese, and Felicia Porter will be running for the top this season. Dennis Dupree looks to have a small but experienced squad for spring competition.

CHEERLEADERS

FOOTBALL CHEERLEADERS: (Left to right) Elizabeth Waters, Kim Barber, Elizabeth Cobb, Debra Henry, Holly Sallis, Melinda Dorough, Joyce Tyler, Judy Cleary.

BASKETBALL CHEERLEADERS: (Left to right) Margaret Philippart, Van Hill, Emily Coleman, Lynda Lynch, Evertean Walton, Tonya Grisham.

COACHES

Athletic Director Bob Sanders was appointed to this position in 1981 to renew his relationship with OHS Sports after a 1-year absence. Sanders performs all business and administrative duties of the Oxford Athletic Program.

Walter Denton joined the staff as Head Football Coach and Head Baseball Coach in 1981. Denton led the football team to a 5-5 record, the best in 8 years. In addition, under Coach Denton, the Boys Baseball Team captured the 1982 Sub-District Title.

Kurt Saul serves OHS as Assistant Football Coach and Head Coach for Boys Track. Saul, a graduate of New Albany High, Northeast JC and Miss. State, is in his third year at Oxford High after a 3-year stint at OJHS. In football, Saul helps primarily with defense and line play.

Dennis Dupree, a former Jackson State football star, arrived in 81 to assist with football and head up the Girls Track program. His football duties center around defensive backs and wide receiver coaching.

Boys Basketball Coach John Robbins enters his 17th season as a head coach with an outstanding coaching tally of 320 wins with only 157 losses. Robbins, OHS Coach since 1972, has led the Chargers to 5 State Tournament trips and many district and sub-district crowns.

Girls Basketball and Boys & Girls Tennis Coach Robert King owns a distinguished record as a coach and teacher. In 8 years as a coach, King has led the Girls Basketball team to North Half in 1981-1982 and his tennis team captured the Co-State Championship in AA for 1982.

Sports has developed into quite a tradition at Oxford High over the years, and there are many coaches and teachers who devote their time to help athletics grow in conjunction with education. The fans, parents, and other students who support the various sports activities add to the success as well. No matter what the final records are, 1982-83 was a winning year in Oxford athletics.

The graduating class of 1983 welcomes the opportunity to recall the celebrated times in which we have participated at Oxford High School. We, of course, do not want to forget the quality education we have received from this institution. Through the years we have combined our talents to form a strong and united class. In our present position as seniors of this student body, we feel it is our responsibility to leave Oxford High with good feelings and high spirits. We hope to have successfully passed on our traditions and honors to the present junior class, so they will be able to take over these duties in the following year. As this chapter in our lives concludes, we look hopefully to the future for new beginnings.

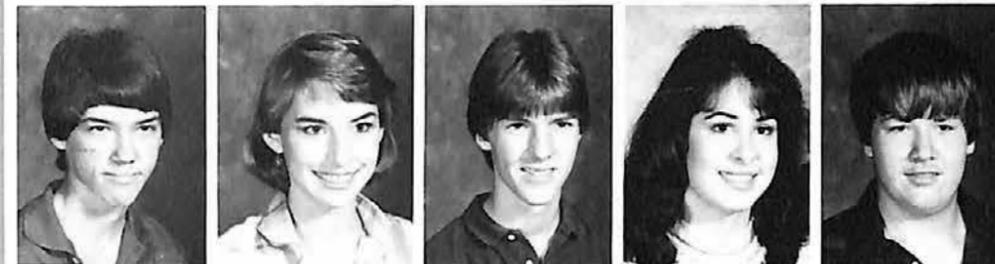

COMING ATTRACTIONS

Pam Dickinson/Megan Duffy

This year has been a great one at O.H.S., and this year's JUNIORS have been right in the middle of it all. We were there at Homecoming, and we thrilled at winning first place in Homecoming hall decorations. We enjoyed football, basketball, pep rallies, and pep parades. Our Junior girls had a great time playing Powderpuff for the first time. Of course, none of us will ever forget Field Day or the Junior-Senior Banquet. We look forward to our Senior year at O.H.S.!

As the 1982-83 Sophomore Class, we entered O.H.S. with neverending spirit and enthusiasm; eager to begin our high school days with the traditional pep rallies, parades, Homecoming festivities, clubs, and the challenge of "hitting the books."

Our excitement and love for the Chargers shined in everything we did and grew with each passing month. Having stuck together through thick and thin, class competition remained in a close race.

The friendships we made and the experiences we shared in our Sophomore year at O.H.S. have only just begun.

What To Do When The Power Goes Off

Unexpected winter happenings, such as ice storms, can interrupt electric service for hours because of broken power lines. There are several important things you should know before the power goes off, so save this ad and refer to it if there's an extended power outage.

BEFORE THE POWER GOES OFF:

1. Keep a battery-powered radio and a fresh supply of batteries on hand.
2. Have candles or fuel-type lamps and matches handy.
3. If you have a fireplace, keep a good supply of wood.
4. Secure charcoal, sterno, or camp-stove fuel for emergency cooking. (CAUTION: Plenty of ventilation is essential to avoid suffocation.)
5. Have plenty of warm clothing and bed cover available.

AFTER THE POWER GOES OFF:

1. Turn off every electrical item that was on when the power went off, especially heating thermostats. This will allow us to get circuits re-

energized when the power is turned back on.

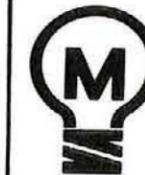

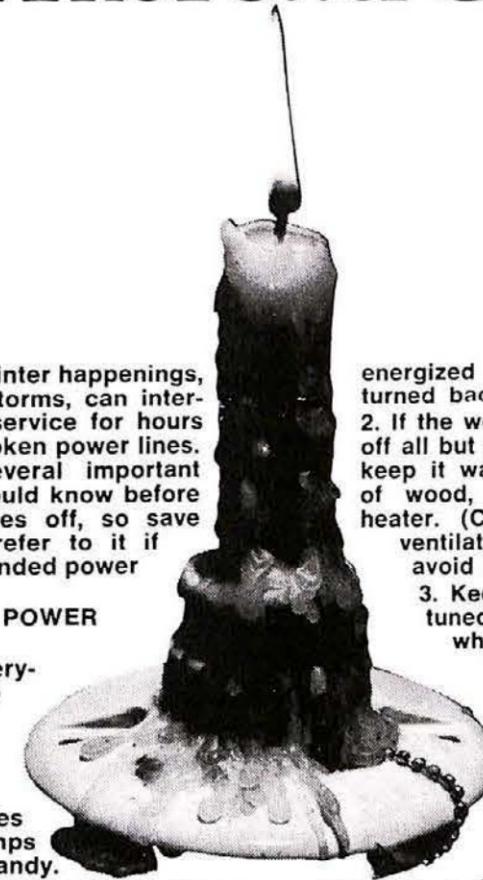

2. If the weather is cold, close off all but one room and try to keep it warm with some type of wood, coal, or fuel-type heater. (CAUTION: Plenty of ventilation is essential to avoid suffocation.)

3. Keep the battery radio tuned to a station on which we are making local announcements about the power condition.

4. Wear warm clothing indoors.

5. Refrain from opening doors to your refrigerator or freezer so that food will remain cold longer.

6. With heat pumps, do not reset the thermostat to the "ON" position as soon as power comes back on. If power has been off from two to ten hours, wait 1½ hours before turning a heat pump on. Should power have been off longer than ten hours, wait three hours. This will allow crankcase heaters to evaporate all liquid refrigerant. Not doing so could result in heat pump failure.

The Oxford High Flashback would like to thank the businesses whose advertisements helped make this annual possible.

This year at Oxford High School has been one we will always remember. We cheered the Chargers on to victories. We cried as our term paper deadlines drew near. We saw great improvement in the OHS band. We dedicated our time and talent to the musical. We fought to the bitter end in the powderpuff game. We struggled for our class to be victorious in field day. We anticipated the day when we would finally graduate. We hope this annual covers these and other aspects of the 1982-83 Oxford High school year.

The 1983 Flashback Staff
